

A photograph of three people in a professional setting. On the left, a woman with short blonde hair is looking towards the center. In the middle, a man with glasses and a beard is smiling and looking towards the right. On the right, a woman with dark curly hair is looking towards the man in the middle, with her hands clasped. They appear to be in a collaborative meeting.

Your **workforce** development partner in the new economy

Arizona State University specializes in talent development and training that inspire the workforce of the future, produce career-ready graduates and strengthen your organization's talent.

**#1 in the U.S.
for innovation**

ASU ahead of MIT and Stanford
—U.S. News & World Report, 8 years, 2016–2023

Build awareness

ASU helps employers spark interest in high-demand career fields and connect to students in ASU's K-12 schools, vast network of partner schools and districts, and more than 130,000 undergraduate and graduate students.

Recruit top talent

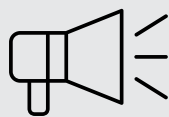

ASU graduates are sharp, well-rounded and work savvy. Nearly half completing at least one internship in high-demand industries, including healthcare, IT, manufacturing, cyber, analytics and aerospace.

Develop your talent

From top-ranked degree programs to focused talent development and training solutions, ASU offers education programs to serve your workforce at every stage of their careers.

Power of partnership

At ASU, we focus on lifelong learning and universal education access to ensure that no one is left behind in today's rapidly evolving economy. We partner with employers to provide practical, hands-on learning opportunities. By reaching out to learners early and often, we help develop skills that drive long-term success for organizations and learners alike.
