

Enabling people and organizations to perform at their **highest potential**

GP Strategies Corporation is one of the world's leading talent transformation providers. By delivering award-winning learning and development solutions, we help organizations transform through their people and achieve meaningful change. GP Strategies has delivered our innovative consulting, learning services, and talent technology solutions to over 6,000 organizations globally.

Our global staff of expert learning specialists, combined with our transformation focus and custom solutions, deliver superior business results. Whether your initiative requires developing the skills of your people, harnessing the power of AI in your learning ecosystem, the implementation and adoption of learning technologies, or refining critical processes, GP Strategies is a transformation partner you can trust.

GP Strategies offers a broad range of services that focus on:

- Developing leaders that will transform your business
- Executing strategies at pace to deliver intended business results
- Preparing learning organizations to harness the power of AI effectively
- Developing innovative solutions to support the workforce of the future
- Adoption of enterprise-wide technology systems

We **move** your business forward... **partner with us.**
